In view of the requirement to publish draft resolutions on the website, such drafts may not be submitted later than 24 hours before the Extraordinary Shareholder Meeting.

c) Right of the shareholder to submit draft resolutions on matters introduced to the agenda during the shareholder meeting

Any shareholder may, during the OSM, submit draft resolutions on matters introduced to the agenda.

d) Exercise of the voting right through a proxy and notification of the Company of proxy appointment by means of electronic communication

A shareholder may participate in the OMS and exercise their voting right in person or by proxy. In case of a shareholder which is not a natural person, a shareholder may participate in the OSM through the persons authorized to submit effective representations of will for and on behalf of such person or through a proxy. If a shareholder is a legal entity or is represented by a proxy or proxies, the shareholder's representative, in order to participate in the meeting, must provide proper evidence for the right to act on behalf of the shareholder.

At the OSM, such proxy shall exercise all rights of the shareholder unless the power of attorney stipulates otherwise. A proxy may grant further powers-of-attorney if the granted power-of-attorney stipulates such right (if the power-of-attorney is granted to a further proxy, the uninterrupted chain

of powers-of-attorney should be submitted along with documents authorizing the relevant proxies to act on behalf of the previous proxies).

A power-of-attorney to participate in the OSM and exercise the voting right must be granted in writing or electronically. Such a power-of-attorney granted electronically is not required to be signed with a secure electronic signature.

A fax or e-mail with a power-of-attorney signed by the shareholder in the PDF format must be appended with a copy or scan of a certificate, in the PDF, tiff, mhtml format, issued by the entity that holds the shareholder's securities account(s), confirming the shareholder's right to participate in the shareholder meeting.

Such electronic notification about granting a power-of-attorney should contain the following contact data: the business name or the full name of the shareholder, his/her phone number and e-mail address and the business name or the full name of the proxy, his/her phone number and e-mail address to be used by the Company to contact the shareholder or his/her proxy.

Along with the notification about granting a power-of-attorney to participate in the OSM in electronic form, the shareholder shall send to the Company a scan of the granted power-of-attorney and the following documents:

- a) in case of a shareholder who is a natural person – scan of personal identification card or other document confirming the identity of the shareholder;
- b) in case of a shareholder who is not a natural person – scan of the current excerpt from the relevant register or other document confirming the existence of the given entity and the right of its representatives to represent it;
- c) in case of a proxy who is a natural person – scan of personal identification card or other document confirming the identity of the proxy;
- d) in case of a proxy who is not a natural person – scan of the current excerpt from the relevant register or other document confirming the existence of the given entity and the right of its representatives to represent it.

The Company may take proper action to identify the shareholder and his/her proxy to verify the validity of the power-of-attorney granted electronically. Such verification may include in particular a question sent by e-mail or a phone call made to the shareholder or the proxy to confirm the fact of granting and the scope of the power-of-attorney.

In order to identify the proxy, the Company's Management Board hereby reserves the right to demand the proxy to present the following while drawing up the attendance record:

- (a) in case of a proxy who is a natural person – the original personal identification card, passport or other official identification document of the proxy, or
- (b) in case of a shareholder other than a natural person – the original or a copy (conformity with the original confirmed by a notary or another body authorized to issue such a confirmation) of the excerpt from the relevant register confirming authorization of the natural person (persons) to represent the proxy at the OSM (e.g. an uninterrupted line of powers-of-attorney) and the personal identity card, passport or other official identification document of the natural person (persons) authorized to represent the proxy at the OSM.

In the event of failure to present such documents, the proxy may be denied participation in the OSM.

The foregoing rules of granting power-of-attorney to participate in the OSM in the electronic form apply accordingly to the notification sent to the Company about revoking the aforementioned power-of-attorney electronically.

In connection with the fact that it is necessary to verify the sent documents, the notifications about granting or revoking the power-of-attorney to participate in the OSM should be sent to the Company no later than by 11:00 a.m. on [REDACTED].

The notification about granting or revoking proxy powers without keeping the requirements stipulated above does not have any legal effects with respect to the Company.

It is presumed that a document confirming the right to represent a shareholder at the OSM complies with law and the facts, unless its authenticity is doubtful prima facie to the Chairperson or the Company's Management Board or the incompliance of the document with law or the facts is obvious in light of public documents known to the Company or is notorious.

If a proxy has received voting instructions, the Company will not verify whether or not the proxy exercises the voting right in accordance with the instructions received from the principal.

A proxy may represent more than one shareholder and vote differently from the shares of different shareholders. If a shareholder holds shares deposited in more than one securities account or collective account, such shareholder may appoint separate proxies to exercise the rights attached to the shares deposited in each such account or – in case of a collective account – in that account.

A shareholder may notify the Company of granting or revoking the power-of-attorney to participate in the OSM using electronic means of communication to the following e-mail address: wza@mlp.pl. The shareholder bears the risk associated with utilization of electronic communication by the shareholder. Any documents sent to the Company by e-mail should be saved in the PDF, tiff or mhtml format.

Any documents sent to the Company should be in Polish. If any document sent to the Company has been prepared in a language other than Polish, a certified translation into Polish of such document should be attached.

The Company hereby informs that it provides the models of forms enabling the exercise of voting rights by proxy, including the power-of-attorney form, which are posted on the website: www.mlp.pl/walne-zgromadzenie. The use of such forms is not mandatory.
